- 4. The limit of Foundation funding approved for a Constituent Lodge shall be the lesser of 75 % of the total project (s) cost or \$1,500.
- 5. The limit of Foundation funding approved for a District and its Constituent Lodges shall be the lesser of 75 % of the total cost of combined Lodge and District projects or \$1500.00 times the number of Lodges in the District.
- 6. All applications for shared funding will be reviewed by the Board of Directors at their first meeting following April 30 in each calendar year. - 8. Donations to national charities are not eligible for shared funding unless they are directed to a local need.
- 9. Upon approval of the project the Lodge or District must submit its portion of the shared funds to the Foundation and then the Foundation will issue a cheque for the full amount to the recipient in care of the Lodge or District for presentation. The Lodge or District may request the funding over multiple payments if it better meets its objective. Note: When submitting requests for more than one project a separate Application Form must be used for each request.
